Recommendations

It is preferred to have your recommendations submitted online. However, if your recommenders face difficulties accessing the online recommendation form, please note that we also accept letters of recommendation by e-mail. Letters of recommendation should be e-mailed directly to your country's Fulbright Program representative and must include the full name of the applicant (you) in the subject line of the message. Contact your country's Fulbright Program representative to receive a blank copy of the recommendation form.

Use this section to register your recommenders. Refer to your country-specific instructions for details on the required number of recommenders, or alternatives to registering recommenders via the application system.

Once you register your recommenders, they will receive an automatic email with instructions on completing the online recommendation form. You can track the status of recommendations, send reminders, and add/delete recommenders through this system before **and** after submission of your application.
