Launching Your TOEIC Link Assessment

Instructions, April 2025

Click the link in the invitation email you received.

***toeic link**

Dear Marcello Hunter,

You are registered to take a remote proctored **TOEIC Link Listening and Reading** assessment(s). Please take the assessment(s) within the scheduled administration window. After the administration period ends, the assessment(s) will no longer be accessible.

If you are unable to take the assessment(s) during this administration period, contact the sponsoring institution, **ETS Beta Test Client**.

Keep this email safe until test day because it contains a personalized link to start your assessment.

Test Registration Information:

Test Name: TOEIC Link Listening and Reading

ETS Exam Browser

Secured Browser For High Stake Examinations

First Time
1) Please click the 'Download' button to download the ETS Exam Browser (WEB) .dmg file. Once the WEB is download on your system, please double-click on the .dmg file to start the installation.

2) Once the installer starts the WEB installation, it may take approximately 1 to 5 minutes based on your system configuration. Please be patient while the progress bar starts moving and the installation gets completed.

Already Installed
If ETS Exam Browser (WEB) is already installed on your system, click on the 'Open' button to continue with your test process.

Important Note -
If no action is happening on the click of "Open" button, it means WEB(ETS Exam Browser) is not installed on your system. Please download and install WEB first by clicking on "Download" button and try again.

Download

Open

Note : If this page gets closed after 10 mins, nothing to worry about. Just open your Chrome or Firefox browser and log-in again, your test will automatically be routed to the ETS Safe Exam Browser.

Install the downloaded file on your computer

- Go to the downloads folder and double-click on the downloaded setup file.
- Follow the on-screen prompts

- Go to the downloads folder and double-click on the downloaded dmg setup file.
- Drag-and-drop the app icon onto the “Applications” folder

Return to this screen and click the “Open” button

Click the “Proceed Now” button to check your system

Click the “Continue” button

Click on the “Capture Photo” button to check-in

The screenshot displays the 'System Diagnosis' interface on the toeic.link platform. At the top, the user is identified as 'Marcello' with a 'Quit test' button. A central message reads: 'Hi ! Marcello Hunter, Please click your photograph and click 'Proceed Now''. Below this, the interface is divided into three main sections: 'Registered Photograph' (showing a silhouette), a central camera view, and 'Captured Photos' (showing a silhouette and a document icon). The camera view shows a live feed with two overlaid photo examples: a correct one with a green checkmark and an incorrect one with a red 'x'. The correct photo is accompanied by the instruction: 'Sit straight in front of the camera, with proper lighting on you face.' The incorrect photo is accompanied by the instruction: 'Do not look away. Your face should not be out of the camera frame.' Below the camera view, a disclaimer states: 'You must understand and agree that Information captured on this page may be stored and processed for authentication purpose in proctored tests. If you want to retake your photograph, please click 'Retake Photo' and then click 'Proceed Now''. At the bottom, there are two buttons: 'Capture Photo' (highlighted with a blue circle) and 'Proceed Now'.

Take the photo, then click the “Proceed Now” button

The screenshot shows the 'System Diagnosis' interface for 'toeic link'. At the top, there is a green header with the logo, the text 'System Diagnosis', the user name 'Marcello', and a 'Quit test' button. Below the header is a dark green banner with an illustration of a person at a computer and the text: 'Hi ! Marcello Hunter, Please click your photograph and click 'Proceed Now''. The main area contains three sections: 'Registered Photograph' with a white silhouette icon, a central video camera view showing a man with glasses, and 'Captured Photos' with a small photo of the man and a list icon. Below the camera view is a disclaimer: 'You must understand and agree that information captured on this page may be stored and processed for authentication purpose in proctored tests. If you want to retake your photograph, please click 'Retake Photo' and then click 'Proceed Now''. At the bottom are two buttons: 'Retake Photo' and 'Proceed Now', with the latter circled in blue.

Click the “Capture ID Card” button to verify identify

The screenshot displays the 'System Diagnosis' page on the toEIC link platform. At the top, the user is identified as 'Marcello' with a 'Quit test' button. A central message reads: 'Hi ! Marcello Hunter, Please click your ID Card photograph and click 'Proceed Now''. Below this, the interface is divided into three sections: 'Registered Photograph' (a placeholder icon), a central camera view, and 'Captured Photos' (a placeholder icon). The camera view shows a live feed of an ID card with two overlaid instruction boxes: one with a green checkmark stating 'Please show your ID Card like this in front of the camera.' and another with a red 'X' stating 'Please make sure that the ID card image is not cropped, blurred or shaken.'. At the bottom, a 'Capture ID Card' button is highlighted with a blue circle, and a 'Proceed Now' button is visible to its right. A disclaimer at the bottom of the camera view states: 'You must understand and agree that information captured on this page may be stored and processed for authentication purpose in proctored tests. If you want to retake your photograph, please click 'Retake Photo' and then click 'Proceed Now'.'

Capture the ID Card, then click the “Proceed Now” button

The screenshot displays the 'System Diagnosis' interface on the toeic.link platform. At the top, the user's name 'Marcello' and a 'Quit test' button are visible. A central instruction box reads: 'Hi ! Marcello Hunter, Please click your ID Card photograph and click 'Proceed Now''. Below this, the interface is divided into three main sections: 'Registered Photograph' (a placeholder icon), 'Official ID Card with Photo Here (hold up to camera)' (a live camera feed area), and 'Captured Photos' (two thumbnails of the user's photo and ID card). A disclaimer states: 'You must understand and agree that information captured on this page may be stored and processed for authentication purpose in proctored tests. If you want to retake your photograph, please click 'Retake Photo' and then click 'Proceed Now''. At the bottom, there are two buttons: 'Retake ID Card' and 'Proceed Now', with the latter being highlighted by a blue circle.
